No.S 105/II/473
Office of the Deputy Commissioner,
Kanara. Karwar, 31-3-1958.

Submitted to the Divisional Commissioner, Belgaum.

2. Shri Mahabaleshwar Ganapayya Shetti of Ankola was leased out with F.S.No.11 and 12 measuring 6-2-0 and 6-1-0 respectively for cultivation on Hangami lease in the year 1951-52. The lessee has properly developed the area in question. The Divisional Forest Officer, W.D., Kanara, has recommended permanent disposal of the area to the lessee after disforestation(vide his report at pages 87 and 121).

3. The lessee, however, holds land as detailed below:

Tari	--	7-18-0.
Bagayat	--	3- 4-0.
Kimski	--	0-34-0.

In addition to this, the applicant is cultivating the forest lands in question. Out of the total area of 12-3-0 leased out for cultivation, the lessee has brought an area of 11-3-0 under cultivation after spending an amount of Rs.1650/- towards its improvement (vide panchanama at page 97). Considering the huge amount spent by the lessee, it would be harsh to refuse the grant of the land merely on the ground that he already holds land in excess of the economic holding.

(6)

It is, therefore, requested that Government may kindly be moved to accord sanction for grant of the area in question to the applicant lessee.

P.T.O.

Further action to disforest the land etc. would be taken on receipt of Government orders.

2. In view of the fact that the lessee in this case is holding the forest land in question on lease for cultivation since 1951-52 and that he has spent an amount of Rs. 1650/- towards its improvement Government may consider the grant of the land to the lessee on permanent basis on recovery of occupancy price equal to the market value of the land, as a special case.

2. The reasons for which Govefnment may consider the grant of the land ~~of~~ in question to the lessee, though his total holding would exceed the economic holding, have been given in para 3 of the Deputy Commissioner's endorsement No.S.105/II/473, dt. 31.3.58 and para 2 of my No.even, dt. 26.5.58. The same remarks apply even though the total holding of the lessee would exceed the ceiling area if the forest land held by him on lease is granted to him permanently. I have therefore no further remarks to offer, in the matter.

3. The question whether the forest or Government waste lands should be granted in excess of the ceiling area in such cases in which the lessees have spent large amounts on the improvement of forest or waste lands leased out to them, and the refusal to grant which on permanent basis would cause great hardship and loss to such persons, is however a question of general policy to be decided by Government in consonance with their policy of land reforms. There are no orders of the Bombay Government also on the subject. The case papers accompany.

Further inquiry made in this case reveals that the area in question at the time of original grant was Kuski type and the grantee had to spend large amount(about Rs. 1600/-) to make it fit for paddy cultivation on the under-standing that it would be granted to him on permanent basis.

From the orders of Govt. contained in their letter No.RD.58 LGO 58 dt. 13.11.58, copy received under your endt. No.RB/LND.dt. 13.12.58 it is seen that status quo with regard to the regularisation of encroachments in Betta and forest lands may be maintained till the new tenancy law comes into force. In the present case, the applicant is holding the land on hangami lease from the Forest Deptt. and therefore, there is a better case for applying the principle to the present case. The question of disforestment of the area may, therefore, be deferred in the present case till the new Tenancy Law comes into force.

Sub:-Grant of land in Kuntagani Ankola Taluka
North Kanara District.
******

Sir,

I am cultivating the S.No.11,12 as per the resolution of the Kuntagani scheme committee No. 4 dated 21/5/50, No. 6 dated 24-2-51, and No. 3 dated 2-4-51. I requested the Government to grant the said land on permanants tenure and the case was recommended by the Deputy Commissioner Kanara under his No. S 105/II/473, dated 31/3/1958 and the same was endorsed by the Divisional Commissioner G B/FORS/163/dated 23-5-58 and the same was sent to the Revenue Department from the Agricultural Department duly recommended under their No. 104/DST/58/dated 21/7/58 and it was sent to the Divisional Commissioner, Belgaum on 4/10/58.

The history of this land grant is as old as the grow more food campaign launched by Shri M.P.Patil, the Ex-Hon'ble Minister of Bombay State in North Kanara District. It was given as a token for rendering service in the cultivation of the colonisation of Dongri and Kuntaganis schemes. Shri S.R.Kanthi the Present speaker, Mysore Legislative Assembly and then parlimentary secretary to Government of Bombay is fully aware of this incidence.

I therefore request you to grant the land as I intend to develop it as a model farm in the remotest corner of Ankola Taluka.

MYSORE GOVERNMENT SECRETARIAT N. 1746 16 DEC 1958 REVENUE BRANCH

Yours faithfully,
Shetti
